

CHASITY CHAMBERLIN

Advisory Council, National Women's Shelter Network, Inc.

Managing Director, Employment and Community Services and Vision Rehabilitation Services, CARF International

CHASITY CHAMBERLIN
Tucson, AZ

Chasity Chamberlin has 20 years of experience in the health and human services field. Holding multiple executive level positions during her career has given her the opportunity to shape service provision for some of the most vulnerable populations.

She is passionate about increasing access to care and has a proven track record for business growth and development with her previous organizations.

She shares her expertise with organizations and other professionals by regularly presenting at conferences and conducting trainings centered around continuous quality improvement, strategic planning and best business development practices.

Currently, Ms. Chamberlin serves as a managing director for an independent, international accreditor that sets the standard of excellence in the field.
