BEATRIZ DE LA ROSA PEREZ
Anacortes, WA

**The Anacortes
Family Center**

Beatriz has been working with Anacortes Family Center since 2013. She started as the case manager for the Emergency Shelter.

In 2017, as the organization began to grow, she took on the position of Program Director where she manages the staff that provides direct services to our clients seven days per week and does case management for our Transition Building.

The Transition Building is where clients can stay for up to two years so they can address additional barriers that are preventing them from getting permanent housing. Beatriz is dedicated to ensuring that clients successfully navigate our program from intake to graduation.

Beatriz has her Bachelor of Science in Human Resources. She is a tireless advocate for our clients and fosters community resources to facilitate their success.

Prior to joining AFC, Beatriz worked in case management for a variety of organizations including school districts and county-wide nonprofit organizations.
